1. Group Profile

MOON SHINE is a world-class sourcing and trading group specialized in the procurement and global supply of premium-quality building and construction materials. With an extensive international network of certified manufacturers, mills and suppliers, we deliver competitive, reliable, and compliant materials to infrastructure, industrial, institutional and commercial projects worldwide.

We serve as a trusted link between manufacturers and end-users, offering seamless sourcing, pricing advantages, documentation support, and end-to-end logistics solutions.

Moon Shine Building Material Trading LLC

Established in 2003 (formerly: Moon Shine General Trading LLC), operates under a license issued by the Department of Economic Development (DED), Government of Dubai, UAE - currently serves customers across the UAE, Oman, and Africa.

Moon Shine Gulf Trading WLL

Established in 2025 under a license issued by the **Ministry of Commerce & Industry, Qatar** - currently serves customers across Qatar and other Middle Eastern countries.

Pax Global Moon Shine Private Limited

Established in 2018 under the provisions of the **Indian Companies Act, 2013** - presently serves customers in **India and Western countries**.

Operating from its **fully equipped 1,500 sq. ft. own premises** with a workforce of **20+ personnel**, the facility also functions as a **centralized Back-Office**, managing customer enquiries and orders for all group entities.

Besides, the **Indian facility** encompasses a **furniture manufacturing unit** and a **showroom** catering to both domestic and export markets.

2. Our Vision, Mission & Core Values

Vision

To be the most reliable and globally recognized sourcing partner in the construction materials industry, delivering excellence with integrity and innovation.

Mission

To provide our clients with world-class materials and procurement solutions through strategic sourcing, competitive pricing, and unparalleled service standards.

Core Values (CRISP-Q)

Customer-Centricity: Tailored sourcing that safeguards client requirements.

Reliability: Timely procurement and supply.

Integrity: Transparency in all dealings.

Sustainability: Promoting environmentally responsible sourcing.

Principled Negotiation: Based on international metal market rates.

Quality Commitment: Only certified and compliant materials

3. Global Sourcing Capabilities

With a robust sourcing and supply network across **East and Southeast Asia**, we proudly serve our customers throughout the **Middle East, Africa, Europe, and the Americas**. We collaborate only with certified and reputed manufacturers who comply with international standards such as ASTM, EN, BS, DIN, JIS, GB, etc.

Through strategic partnerships and long-standing relationships with integrated mills, we ensure:

- Competitive pricing
- Priority production
- Timely delivery schedules
- Custom specifications and OEM branding

4. Our Business

Global Sourcing

We identify, evaluate, and procure the best quality materials from international manufacturers, ensuring compliance with technical and commercial expectations.

Indenting

We act as official representatives of manufacturers, facilitating bulk procurement on behalf of clients with complete support in negotiations, contracts, and documentation.

Advisory⁰

We keep our clients informed of global market trends, price movements, and material availability, enabling them to make timely and well-informed purchasing decisions aligned with international market conditions.

Trade & Aides-To-Trade

We import and export a wide range of construction materials, managing financial structuring, risk mitigation, logistics, and warehousing — ensuring seamless trade across borders.

And Accessories)**

Product Portfolio Overview

Stainless Steel (SS):

CR & HR Coils, Sheets/Plates, Angles, Channels, Beams, Merchant Bars, Bright Bars, Hollow Tubes/Pipes, etc.

Aluminium (1 to 8 Series):

CC & DC Route Coils, Sheets, Plates, Checkered, Stucco & Corrugated Sheets, Circles, Foils, Pre-Painted Coils, Profiles...

Galvanized Steel (GI):

SGCC & SGHC HDGI Coils & Sheets, Pre-Painted GI/GL, EG Coils & Sheets, Corrugated Sheets, GI Hollow Pipes, etc.

Product Portfolio Overview

Mild Steel (MS):

HR & CR Coils & Sheets, Plates, Checkered Sheets, Angles, Channels, Beams, Merchant Bars, Seamless Pipes, Welded Hollow Pipes (CHS, SHS, RHS), etc.

OCTG & HVAC: (Casing, Tubing, Ducting & Fittings)

Construction Hardware Items:

Binding Wire, Wire Nails, Meshes, Threaded Rods, Fasteners, Props, Wheelbarrows, Safety Products, Gloves, Tarpaulin, etc.

Product Portfolio Overview

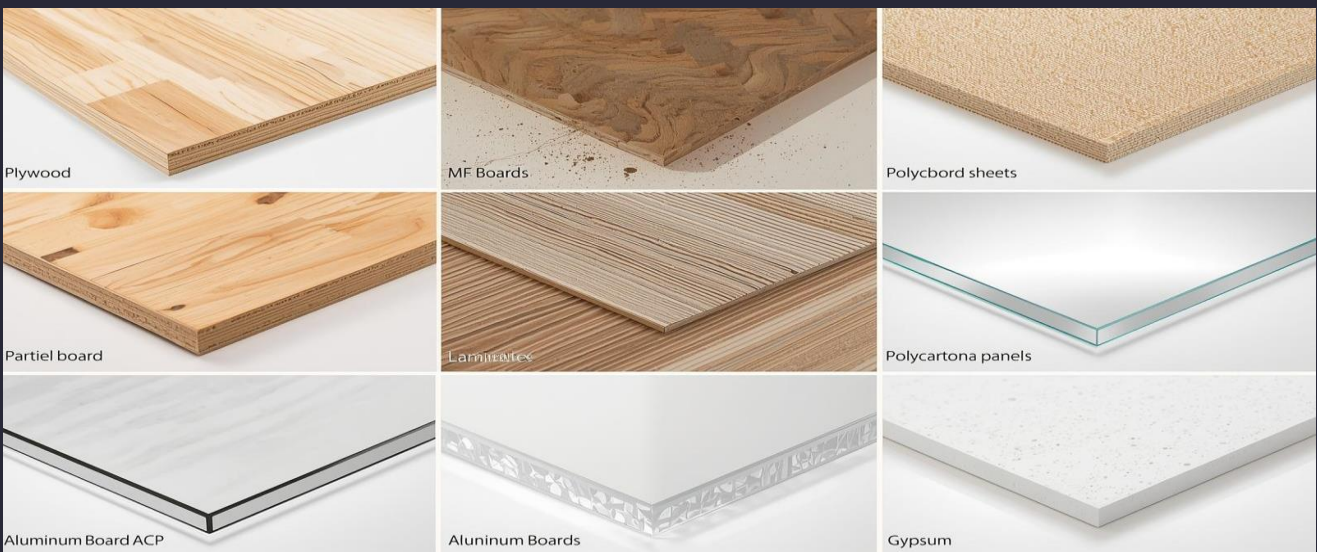

Wood & Joinery Materials

Hardwood (Teak, Mahogany, Red Meranti) & Softwood (Pine, Poplar, Birch) Lumbers

Engineered Wood Boards & Panels

Plywood, MDF, Particle Boards, Laminates, Polycarbonate, Acrylic Sheets, ACPs, Gypsum Boards, etc.

Production Standards & Quality

For every product, **Moon Shine** ensures compliance with approved international production standards, such as **ASTM, EN, BS, DIN, JIS, GB**, etc., as applicable. Each sourced material meets an **indigenous grade equivalent** to these standards and is produced **specifically against the customer's order**, rather than drawn from ready stock, to guarantee **consistently high quality**.

6. Industry Segments

We proudly cater to globally renowned sectors requiring reliable, certified and professionally managed materials supply:

- **Infrastructure & Civil Construction** – Bridges, roads, airports, rail terminals.
- **Oil, Gas & Petrochemical Facilities** – Refineries, LNG terminals, processing plants.
- **Industrial & Power Projects** – Manufacturing plants, power stations and renewable energy projects.
- **Manufacturing Units** – Transformers, Ducting, Ceiling Tiles, etc.
- **Commercial & Residential Real Estate** – High-rise towers, mixed-use developments and housing projects.
- **Healthcare & Institutional Buildings** – Hospitals, universities, research centres.
- **Hospitality & Retail** – Hotels, resorts, shopping malls and entertainment complexes.

Wholesalers & Retailers – We can be your best partner for **specialized, recurring sourcing**, providing expert procurement support.

Moon Shine

With you in every step...

7. Global Network & Strategic Partnerships

Our sourcing strength lies in our long-standing alliances with world-leading mills and manufacturers across:

- **East & Southeast Asia** – Key sources for Steel, Aluminium, SS and other metals, offering competitive prices and certified quality.
- **India** – Rapidly emerging source of certified materials with cost-effective solutions.
- **GCC & Middle East** – Strategic warehousing, free-zone logistics, and bonded storage for smooth regional distribution.
- **Europe & ASEAN** – Suppliers of premium-quality specialty materials for specialized projects.

8. Quality Assurance And Certifications

Quality is our identity. Every shipment is verified and certified according to international standards.

Compliance Standards:

- **ASTM** – American Society for Testing and Materials (USA)
- **CE** – European Conformity
- **EN** – European Norms / ISO 9001, ISO 14001, ISO 45001, UL, RoHS
- **DIN** – Deutsches Institut für Normung (Germany)
- **JIS** – Japanese Industrial Standards (Japan)
- **GB** – Guobiao Standards (China)
- **BIS** – Bureau of Indian Standards (India)

9. Project Highlights & Client

Endorsements

We have proudly supplied critical materials to large-scale infrastructure and industrial projects.

- Airport terminal roofing with aluminium coils
- Metro rail structural steel supply
- Prestigious Government Projects

Competitive Advantages

Our expertise delivers unmatched value through:

- **Cost Leadership:** Strategic sourcing ensures best global pricing.
- **Time Efficiency:** Priority production and logistics optimization.
- **Quality Assurance:** 100% certified and compliant supplies.
- **Customisation:** Tailored supply solutions for unique project requirements.

10. Logistics & Supply Chain Excellence

Our global supply chain ensures reliable and on-time deliveries.

- Multi-modal transport solutions
- Bonded warehousing
- Customs clearance expertise
- Avail duty exemptions wherever applicable

11. Why Choose Us?

- **One-Stop Sourcing Solution** – We manage the entire sourcing process for you, from identifying right manufacturers and negotiating terms to ensuring timely delivery, so you can focus on your core business.
- **Strong Global Network** – We handle your enquiries with multiple partner mills simultaneously to secure the best possible deal.
- **Guaranteed Compliance** – All sourced materials meet or exceed international production standards, ensuring quality and reliability.
- **Transparent Documentation & Trade Finance Support** – We take care of all import documentation and provide guidance on trade finance, minimizing your operational and financial risks.
- **Realistic Pricing Aligned with International Norms** – Our interpretation of international pricing and elimination of third parties in the deal ensures rates that are competitive, fair, and aligned with market standards.
- **Techno-Commercially Compliant Quotations** – Our quotations are detailed, accurate, and structured to serve as a solid basis for deal finalization.
- **Reliable Import Wing** – Once your order is confirmed, we take full responsibility as your dedicated import partner, relieving you of all complications and ensuring smooth execution.

12. Our IT Strength

Our 5th-generation, tailor-made software, developed from over four decades of foreign trade experience, streamlines all our operations, making them simple, smooth, fast, user-friendly, and virtually error-free — a capability few, if any, other service providers can match.

What Differentiates Us from Others?

We are far more than a Commission Agent or Broker — we are a true **risk-taking, responsible Sourcing Partner** committed to protecting our clients' interests.

- **Stringent supplier due diligence** and on-site evaluations before enlistment.
- **Techno-commercial analysis** of every enquiry before RFQs are issued.
- **Direct collaboration with integrated mills**, avoiding traders or agencies to ensure price stability and reliability.
- **Daily benchmarking with LME, SMM, and currency trends** for transparent, market-aligned pricing.
- **Negotiation capability with 40+ global mills** per enquiry for best commercial outcomes.
- **Defined SOPs** in every function ensuring consistency, accountability, and excellence.
- **Legally bound Sales Contracts**, backed by our assets and proven market credibility.
- **Five years of global customs data** enabling authentic source identification and market insights.
- **Direct mill tie-ups and 20+ years of relationships** ensuring dependable quality and delivery.
- **Expertise in international trade**, documentation, and technical compliance.
- **Custom-built ERP system** ensuring seamless enquiry, order, and logistics management.
- **Centralized back-office in India** for synchronized global operations.
- **Weekly order updates** until completion and full client satisfaction.
- **End-to-end service delivery** from sourcing to inspection and supply.
- **Multi-origin sourcing** across Asia, GCC, Europe, and Africa for flexibility.
- **Dedicated technical and commercial professionals** supporting each stage.
- **Periodic updates** on global material trends, prices, and supply movements.
- **Trusted information hub** for product specifications and indicative market pricing.
- **Transparent and ethical business practices** fostering long-term partnerships.
- **Continuous improvement culture**, driven by feedback and market intelligence.

13. Our Request

Send us your import enquiries, with required grades or end-use application, or ask us for a new product of your interest, to leverage our expertise — it costs you nothing, carries no obligations, and delivers significant value to your business growth.
